Regardless of whether you are seeking importers, master distributors, new product lines, licensees, sources of production, a joint venture, or other business relationships, OMDCnet® Global OpportunitySM is a viable marketing effort that helps you acquire qualified leads and prospects.

For a base cost of only \$549.00, you receive the following:

- Guidance with the development and preparation of your global business opportunity
- Creation of an HTML page highlighting your global business opportunity
- Search engine optimization of the HTML page
- An Adobe PDF file version for your off-line use in mailings, e-mails, or other marketing efforts
- Links to your company website included in the text of your global business opportunity
- Posting on the OMDCnet® Global OpportunitySM portal section for a full year
- The option of additional translated versions to help you reach a broader world audience

Our extensive experience in global business development and international trade makes us keenly aware of the right message your company needs to present in order to generate serious interest and quality leads.

The OMDCnet® Global OpportunitySM presents your offer and/or opportunity to the market providing compelling reasons for interested parties to act. It is designed to create interest and impact in a format proven successful in driving leads to your organization.

Price includes preparation of presentation, web posting and search engine optimization. As part of the service, we deliver the presentation in HTML and, in addition, provide you with an Adobe PDF version for your off-line use.

Translated versions of the presentation in other languages can also be provided. This service is an option and pricing is dependent on the number of target languages requested.

Smaller companies may not have the experience, marketing department, or sufficient budget to effectively present their offer to the international market. OMDCnet® Global OpportunitySM helps solve the dilemma by acting as a global marketing department.
